Classification: Within the Czech championships only competitors with Czech citizenship and members of ČSKB will be evaluated with a valid license. The title is awarded on individual races in the categories of pupils B to Seniors. Announcement of 3 medalists will take place immediately after the end of the final race of all categories (Pupil B sprint on 300 m t.t. is not the part of the Czech championship)

Within the EEC, it is evaluated as overall ranking. Only the Pupils A, Cadet, Youth and Junior category are rated in the EEC. In each race of their category, the skater will receive points according to the placement, the winner will be the competitor with the smallest total of points from all the races in the given category. In case of the parity, a better placement on the longest distance is decided. The first three are awarded medals.

Ostrava speedskating kriterium is evaluated for all categories. Classification is the same as on EEC, all distances (also skill race - slalom).

Inlinespeed CadoMotus Sprint Cup - 8 fastest men and 8 fastest women in the race 500 m (from the first round of 500 m) across the categories will take part in the final „Dobbin sprint“ - 1 flying lap. Only the winner is awarded by the valuable prize from Inlinespeed.cz.

Starting numbers: Starting numbers on left leg and back. Without a starting number, the competitor will not be allowed to start at the race.

Liability: Organizers and organizers do not accept responsibility for injury and possible loss of or damage to the equipment during the event. Participants start on their own responsibility. Registered members of ČSKB are insured within this club. Participants are required to have a helmet on their head throughout the course of the movement. Hand and foot protectors are recommended.
